

## General Rules and Regulations

### 16.02 RESIDENTIAL RATE AMI OPT OUT

---

#### AVAILABILITY

Available to single family Residential members who do not wish to participate in Advanced Metering Infrastructure (AMI) which is an integrated system of meters, communication networks, and data management systems that enables two-way communications with the Association's meter equipment.

Accounts meeting one or more of the following criteria will not be allowed to Opt Out of the AMI metering:

- MVEA Credit Risk Score of 9 or greater as determined by Rules and Regulations 9.0 MEMBER DEPOSITS;
- Disconnection for nonpayment charges within the last twenty-four (24) months;
- Prior history of meter tampering;
- Net metering;
- Documentation on file of Landlord agreement for auto reinstatement;
- Inaccessible meter due to physical obstruction, hazardous conditions, or denial of access.
- Average energy consumption exceeds 3,500 kWh per month.

Single family residential members are defined as follows: any single private home, apartment, or other living quarters occupied by a person or persons constituting a distinct household; any private garage adjacent to or connected with and used exclusively by the resident; farmsteads composed of a single farm or ranch with private home, barn, or other ranch buildings and necessary and usual farm equipment. A member having his or her residence and place of business on the same premises may receive service for both a single point of delivery if desired – in which case the service will be classified as Commercial. The member may elect to request a separate point of delivery for that part of the residence used for a business in which case the remainder of the residence would be classified Residential.

#### TYPE OF SERVICE

Single-phase 60-hertz with load requirements of 50 kVA or less at available secondary voltages.
