

## General Rules and Regulations

### 17.30 IRRIGATION RATE

---

#### AVAILABILITY

Available to all members of the Association for irrigation purposes only, upon the execution of a written contract for such service.

#### TYPE OF SERVICE

Single-phase and three-phase where available, at available voltages.

#### RATE PER MONTH

kWh Charge per month per kWh	\$0.13366
Horsepower Charge per Horsepower per month	\$4.50

#### POWER COST ADJUSTMENT

Power cost adjustment will be per month	\$0.00
---	--------

#### CONTRACT PERIOD

All contracts entered into because of new construction or rebuilding of existing service will be for a minimum period of one (1) year. The contract may be assumed by another member, but such assumption will not relieve the original member for the responsibility of completing the payments for such original one-year period. After the original one-year contract has been fulfilled, all subsequent periods will be for a minimum of a one (1) year period.

#### DETERMINATION OF HORSEPOWER

The contract horsepower will be the combined nameplate rating of the installed motors or the historical metered kW demand, whichever is greater.

The determination of the metered kW demand will be the maximum 15 minute integrated kW demand as indicated or recorded by a demand meter.

#### CONDITIONS OF SERVICE

1. The rated capacity of single-phase motors will not be in excess of ten horsepower (10 hp) unless written approval is received from the Cooperative.
2. Normally, motors having a rated capacity in excess of ten horsepower (10 hp) must be three-phase.

Effective Date: January 01, 2026

## General Rules and Regulations

### 17.30 IRRIGATION RATE

---

#### IRRIGATION SEASON

The season will be the April billing month through the March billing month.

#### MINIMUM ANNUAL CHARGE

The minimum annual charge will be \$540.00 based on a 10 horsepower rating. For each additional horsepower over 10 horsepower, an additional \$54.00 will be charged.

Any account disconnecting during the Irrigation season will be required to pay the Association the remainder of the minimum annual Horsepower Charge.

Any account which has a past due balance from the previous season will be required to pay in full, said previous season delinquent charges plus current season minimum annual charge at the beginning of the season.

A member that has not been previously served by the Association within this rate class will be required to prepay the minimum annual horsepower charge at the time of application.

#### TERMS OF PAYMENT

The above rates are net, due and payable on or before the date stated on the bill. If not paid on or before this date, a late charge of 2% per month or \$5.00 per month whichever is greater will apply; service will be discontinued as determined by Rules and Regulation 12.0 Discontinuance of Service.

#### TAXES, FEES, ETC.

Any tax, franchise fee, or other similar charge, however denominated, will be recovered by a surcharge only upon those members receiving service within the boundaries of the district and/or municipality imposing such tax or fee.
