**EXTENSION, MAINTENANCE AND RELOCATION**

The Association, at its sole discretion and in accordance with sound engineering practices, will erect, build and maintain, under normal wear and tear, the fixtures, poles, wiring and lamps used to render service under this rate.

Members requesting outdoor lighting to be mounted on poles other than wood approved by Mountain View Electric Association Inc. (MVEA) or requesting underground outdoor lighting distribution systems will be required to pay the Association, as a non-refundable contribution, an amount equal to the difference between the estimated cost of the requested system and that of the standard wood pole and overhead construction. In any event, all facilities will be installed, owned, operated and maintained by the Association.

The Association will not be required to replace or repair broken lamps or fixtures when such breakage is due to excessive willful or negligent acts other than the Associations'.

The expense of moving or relocating the fixtures after initial installations will be borne by the member.
