

General Rules and Regulations

20.59 RENEWABLE RESOURCE RATE

AVAILABILITY

Within all service areas, available to all consumers, upon the execution of a contract for such service, up to the amount of renewable resources available.

APPLICABILITY

Optional rate to all Mountain View Electric Association members wishing to purchase renewable resource generated power.

RATE

The rate for this service will be a renewable power premium (added charge) for all renewable power delivered to the participating member. The renewable power will be purchased in the form of 100 kWh blocks.

The monthly premium for each 100 kWh block, or fraction thereof, will be \$ 0.10

COMMITMENT

It is understood by the member that by opting to use the renewable rate, the member is making a one-year commitment.

TERMINATION CONDITIONS

Upon notice, from the member, the Association will terminate the provision of Renewable energy to the member under this rate, effective upon the first meter reading date following receipt of notice.

TAXES, FEES, ETC.

Any tax, franchise fee, or other similar charge, however denominated, will be recovered by a surcharge only upon those members receiving service within the boundaries of the district and/or municipality imposing such tax or fee.
