

# Celebrate National Co-op Month With a Complimentary Beverage!

This October, Mountain View Electric Association invites you to enjoy a cup of coffee on us! We're teaming up with seven local coffee shops across our service territory to say "thank you" to our members and support small businesses in our communities.

## How It Works

Simply print this digital coupon—or show it on your phone at the register—to receive one complimentary small or medium beverage per person at the register at the time of purchase.

## Coupon Valid

October 1 – November 2, 2025

## Participating Coffee Shops
