RATES AND CHARGES

Grid Access, per month	\$332.50
Peak Period Demand, per kVA, Monday – Saturday 1PM-9PM	\$31.18
Energy, per kWh	\$0.03697

PEAK PERIOD DEMAND

The member's peak period demand will be based on the maximum 30-minute integrated kW demand established by the member during the peak period as recorded by a demand meter during the Association's coincident peak period from 1:00 PM through 9:00 PM, Monday through Saturday, with the exception of New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

MINIMUM MONTHLY BILLING CHARGE

The minimum monthly billing charge shall be the greatest of the following charges as determined for the member in question:

The minimum charge specified in the contract for service	
A charge of	\$2,500.00

CONDITIONS OF SERVICE

The member will comply with and be bound by the Association's lawful rules, regulations, and bylaws as the same may be amended from time to time.

Any extraordinary charges, related to transmission service by others or unusual load characteristics levied by the Association's power supplier as a requirement to provide service to a load qualifying for this rate, will be passed on to the member.

All wiring, pole lines, and other electrical equipment beyond the metering point will be considered the distribution system of the member and will be furnished and maintained by the member.

The Generation Demand Charge, the Transmission Demand Charge, and the Energy Charge will be adjusted to coincide with Tri-State's wholesale rates charged to the Association.
