

Mountain View Electric Association, Inc.

General Rules and Regulations

5.0 APPLICATION FOR SERVICE

5.1 The Association will require each prospective member to complete an application for each service requested whether permanent or temporary. Member(s) will be required to provide Social Security number(s) and, if requested, a copy of a valid government-issued photo identification(s). If the prospective member does not have, or declines to provide, a Social Security number, they must provide a valid government-issued photo identification and either pay a deposit or enroll in the Prepaid Metering Rate, as outlined in Rules and Regulations 16.03 Residential Prepaid Metering Rate.

Said application sets forth the following information:

- Name
- Address
- Deposit requirement
- Application for membership
- Terms of purchase and payment
- Classification of service
- Agreement to abide by established rules and regulations
- Rights-of-way requirements
- Wiring requirements
- Personal liability
- Term of contract
- Descriptions of premises to be served

5.2 Returning members previously served by the Association at the same service address will be required to submit a new application for service or may request, in writing, that a previous application be renewed, provided the previous application is on file within the Association.

5.3 Special contracts may be requested by the Association for service which may be deemed by the Association to be necessary where large or special investment is necessary, or where special guarantee of revenue or protection of investment is deemed essential.

5.4 The said application, when accepted by an officer or authorized agent of the Association, together with the Association Bylaws, will constitute a contract between the member and the Association, subject to the Association's tariffs. No agent has power to modify, alter, or waive any portion of said contract, except the Chief Executive Officer of the Association.

Chief Executive Officer
