

ELEMENTARY-AGED COLORING CONTEST!

Get your class participating in MVEA's Electrical Safety Coloring Contest for their chance to have their artwork featured on a sticker and win a Kindle Fire. You'll also be entered to win an Amazon gift card and an interactive electrical safety demo for your class!

HOW TO ENTER:

1. Visit www.mvea.coop/coloringcontest to download and print one of the coloring templates.
2. Instruct students to color a design related to electrical safety inside either the light bulb or plug in template.
3. Complete the submission form with the students' details on the coloring sheet.
4. Submit your coloring sheet by either using the online form on our website, dropping it at an MVEA dropbox, or mailing them to 11140 E. Woodmen Road, Falcon, CO 80831, Attention: Communications.

COLORING THEME IDEAS:

- MVEA's lineworkers working safely
- Never mix electricity and water
- Never stick objects in outlets
- Watch for overhead power lines when playing outside

WIN, WIN, WIN!

- If your entire class participates, you'll be entered in to win an Amazon gift card and a hands-on, interactive safety demonstration from MVEA.
- The overall winner will have their artwork featured on a sticker and grade-level winners will receive a Kindle Fire.

DEADLINE TO ENTER: MARCH 19, 2026

For questions, visit www.mvea.coop/coloringcontest or email communications@mvea.coop.

STORY BEHIND THE SWITCH DEMONSTRATION

At MVEA, safety comes first! To increase electrical safety awareness for our mini members, MVEA offers Story Behind the Switch - an interactive electricity demonstration available for free to elementary schools within our service territory. Our demonstration teaches students about electricity and safety with hands-on activities including a Van de Graaff generator, plasma ball, and more. The 45-60 minute program covers:

- Diverse energy resources
- Energy efficiency
- The path of electricity from the power plant to the home
- Conductors vs insulators and other electrical terms

For more information, or to sign your class up for a free demonstration, visit www.mvea.coop/demos. For questions or to get a full copy of the Story Behind the Switch lesson plan, email communications@mvea.coop.

STORY BEHIND THE SWITCH

In 2025, MVEA showcased Story Behind the Switch to more than 480 students across local elementary schools, Girl Scout troops, kids' camps, and various clubs in our service territory! Get your class signed up!

LET'S GET COLORING!

You'll find several coloring templates in this packet of information. If you need more, simply visit www.mvea.coop/coloringcontest where you can download and print extra copies!

Top Artists Win a Kindle Fire!
Additional prizes will be awarded to teachers.
