I am electing Option 1 – Annual True-Up as defined in Mountain View Electric Association’s 20.42 Net Metering Rate.

Initials

_____ I understand that I can only change from Option 2 – Indefinite Rollover to the Option 1 – Annual True-Up between January 1st and January 31st.

_____ I understand that my account will only be credited any remaining unused balance of kWh up to a maximum of three thousand (3,000) kWh.

My election for Option 1 – Annual True-Up will be effective as of January 2027.
